MCDANTIM, INC.  
PO Box 818  
Helena, MT 59624

Dear Dan:

It is with great pleasure that I write to you today to inform you that McDantim, Inc. has been awarded the Guinness Bass Import Company "Accredited Supplier Certificate". This certificate is awarded to companies who reach the highest possible standards in their field.

You, and your team at McDantim, have produced an excellent line of high performing, accurate gas blending units for the beer industry. Your product, technical support, and knowledge with regard to gas and beer dispense have been of immense help, not only to us here at the Guinness Bass Import Company, but indeed to the industry as a whole. For this, I commend and thank you.

I look forward to the continued partnership between our companies for many years to come.

Thank you and congratulations.

Sincerely,

Cian Hickey  
National Quality Director
